

This is to certify that
MJ Quinn

Oak House, Overbrook Lane, Knowsley Business Park, Liverpool, L34 9FB, United Kingdom

Has been assessed
by Richard Mason for IT Governance Ltd
against the Cyber Essentials Scheme Test Specification

Level of certification: Cyber Essentials

Scope: Internet facing infrastructure for M J Quinn includes firewall routers, onpremise Domain, end user devices and MS 365 platform;
located within the UK.

Certification date: December 5th, 2019

Recommended re-assessment date: **December 4th, 2020**

Certificate no.: 3374369613303549

This Certificate confirms that the organisation named was assessed against the Cyber Essentials Requirements dated June 2014, and at the time of testing, the organisation's ICT defences were assessed to meet the Requirements. Cyber Essentials Certification indicates that the organisation has implemented a sensible baseline of organisational cyber security only, and implies no guarantee of effective defence against commodity cyber attacks circumventing this baseline. Organisations are recommended to define and understand the risks to their organisation and take all appropriate action to mitigate or reduce any issues, which may require a greater degree of rigour or technical investment than is required for Cyber Essentials alone.
